Digital Marketing

PT Aliansi Golongan Kanan (Dexter) adalah **Konsultan Transformasi Digital** yang berdiri pada **22 Juni 2020**. Kami bergerak di bidang pengadaan barang dan jasa untuk pemenuhan kebutuhan teknologi seperti pengembangan perangkat lunak, pembangunan infrastruktur *cloud/on-premises*, penyediaan tim khusus pengembangan perangkat lunak, riset dan desain antarmuka serta konsultasi transformasi digital secara umum. Kami meyakini bahwa setiap organisasi atau perusahaan berhak untuk mengembangkan **teknologi yang tepat guna dan bermanfaat**. Karena itu, **Dexter** hadir sebagai rekan terpercaya Anda untuk memberikan layanan pengembangan teknologi informasi secara menyeluruh.

Sebagai bagian dari komitmen kami untuk terus berinovasi dan memenuhi kebutuhan pasar, kami dengan bangga memperkenalkan **Jarwo**, *unit bisnis* kami yang fokus pada pengembangan dan implementasi **solusi kecerdasan buatan (AI)**. Solusi ini dirancang untuk membantu organisasi mengoptimalkan operasional, menganalisis data lebih mendalam, dan menciptakan pengalaman pelanggan yang lebih personal. Dengan **Jarwo**, kami memperluas jangkauan layanan untuk membawa Anda ke garis depan inovasi AI.

The homepage of the Exploration website. At the top, there is a navigation bar with links for 'Tes Minat', 'Explore', 'Summer Camp', 'Admission', 'Masuk', and 'Daftar'. The main banner features a colorful illustration of a sun, a cloud, and various cartoon characters. The text 'Rencanakan Masa Depan Dengan Exploration!' is displayed. Below the banner, there is a call-to-action button 'Ikuti Tes Minat'. The section 'Partner Sekolah Exploration' lists several partner schools with their logos, including PPSK, Colegio Santa Classical School, Sekolah Islam Al Iman, and Sekolah Dasar.

The screenshot shows the official website of the Ministry of Investment and Mineral Resources (BKPM). The main header features the ministry's logo and name. On the right side, there are navigation links for 'MENU', a search bar, and language selection ('ID'). The central content area displays key investment figures: 'REALISASI INVESTASI JANUARI–SEPTMBER TAHUN 2025' at Rp1.434,3 Triliun, with a note that it's 75,3% of the target. It also highlights a 13.7% YoY growth. Below this, a chart compares investment between Java and non-Java regions. To the right, there's a section titled 'PERBANDINGAN PMA DAN PMDN JANUARI–SEPTMBER TAHUN 2025' with similar data. A large green button labeled 'PENGUMUMAN' is visible, along with a link to '5 Tahun 2021' and a 'Standar Pelayanan Penerbitan' link.
